20% OFF!

A whimsical illustration of a family of storks in a cozy living room. A large stork sits in a wooden chair, reading a book titled 'Mama Goose'. Three smaller storks sit on the floor in front of him, also reading books. A frog sits on a small table next to them. The room has a fireplace, a potted plant, and a picture of a house on the wall.

How do kids feel when they share Highlights magazines with their families?

'Happy and Full of Love'

"I am really thankful to have Highlights in my life. My grandma reads and plays with me. I feel happy and full of love when we share our time together. Highlights allows us to have quality time."
